

2 METER CONVYER – (CNY – 2000)

Sai Paradise Machine Tools

Overview

The Convoyer – CNY-2000 is very suitable for wire cutting and stripping machine, automatic wire crimping machine processing long wire because it can keep the finished wires tidy and straight in collection plate.

Features

1. It is suitable for fully automatic terminal crimping machine (Single & double), cutting and stripping machine
2. The line is stable and effectively save production cost & improves production efficiently
3. It adopts frequency conversion control

Applications

It is used in Wire harness industries, Automobile industries, Home appliance industries, Control panel manufacturing industries.

Technical Details

Model no	CNY-2000
Width	175 x 2mm thk
Speed	0-180M / min
Weight	≤20 Kgs
Motor	0.55 Kw
Dimensions (L x W x H)	2000 x 600 x 950 mm
